Next Friend Ebony R. Holmes-Ramsey,

Plaintiffs,

v.

DISTRICT OF COLUMBIA,

Defendant.

Based on the Court's review of the Magistrate Judge's Report and Recommendation, plaintiffs' objections, and defendant's response to those objections, it is ORDERED that the Magistrate Judge's Report and Recommendation [Dkt. # 60] is adopted in part and rejected only to the extent that it reduces the applicable hourly rate set by the *Laffey* matrix by 25%. The fee award in this case is calculated at the full *Laffey* rate.
